LUCY GODDARD
DIRECTOR

Orlando Chamber Choir marks its 30th anniversary by journeying from darkness into light.

In the darkness we find shadowy settings that plead for God's help in times of need, followed by vividly chromatic, dissonant motets. In the light, we experience the symbolic rebirth of spring.

The darkness doesn't last forever; dawn breaks and waves of warm light bathe the earth. In sacred expressions of divine light we find proclamations of darkness and light in romantic love. And at the end of it all, we finish our birthday concert in a blaze of brilliant sunshine.
